Mills Says College Head Ordered The Hunt Halted

J. Allen Mills, Northwestern University freshman president in 1921, who was secretly removed from Akron, O., to Chicago by Illinois authorities for questioning in the investigation into the death of Leighton Mount, Northwestern student, Mount's skeleton was found under an Evanston breakwater nearly two years after his disappearance. Authorities think his death followed a class "rush" in 1921.

CHICAGO, May 9.—(By the Associated Press)—The hole in the pier, through which it has been accepted that the body of Leighton Mount was thrust to lay twenty months, until a disarticulated skeleton was found last week was cut last summer, nine months after the supposed internment of the Northwestern University student, who disappeared after an inter-class fight.

Three boys last night told Georgian J. J. Kelly, police woman, that they chopped the hole in the pier floor so that they might have an "easy dressing room."

The lads, Raphael Kelly, Thomas J. Horn and Robert Knaggs, will be asked to make statements today to the Cook county grand jury, which yesterday began an inquiry into the disappearance and supposed death of young Mount.

Mrs. J. L. Mount, the missing youth's mother, who identified a belt buckle and bits of cloth found with the incomplete skeleton, as parts of the apparel of Mount when he left home to battle with the sophomores, and J. Allen Mills, who led the freshman in the clash, were the more important grand jury witnesses yesterday.

Mrs. Mount is sure her son did not kill himself, according to previous statements. The chief reason was that Leighton was so meticulously careful to leave everything in order when he left home, and that his disappearance left a dozen small things left behind, and his desk in disorder.

"Everything was waiting for him to return," she said. "I am sure, I am positive, he was expecting to return."

Mrs. Mount testified that she had urged Leighton to participate in the fight. (Continued on Page Three)

Ohio In Grip of "Spring Winter"
COLUMBUS, O., May 9.—(By the Associated Press)—All Ohio today was in the grip of one of the worst spring cold snaps experienced in thirty years.

From Lake Erie to the Ohio river, and from east to west snow was either falling this morning or had fallen at some hour during the night. In some places the temperature had dropped to below the freezing points, though it is believed little damage has been done to vegetation. In many places snow hurried early this morning equalled that of generally colder months, hanging on the leaves and limbs of trees for several hours, though generally disappearing from the ground sooner.

Last night and evening rain and sleet fell in many places and thunder storms were prevalent over the state late yesterday. John Mcowhey, 33, was killed at Warren by lightning.

The general cloudiness of the weather last night probably warded off a killing frost.

Snow this morning was reported from Cincinnati, Portsmouth, Cleveland, Dayton, Hamilton, Steubenville, Toledo, Lima, Newark, Marietta, Lancaster, Columbus, and Springfield. Akron and Alliance reported snow last night.

For the third time in forty-five years, or since the establishment of the weather bureau here, the temperature on May 9 reached 32 degrees, which was this morning's reading.

Akron awoke this morning to find its streets covered with snow and ice. Weather experts at Akron University said this is the coldest May weather in 40 years. Extensive damages were reported to crops in the fruit district west of here.

Lancaster reported a temperature of 30 above, snow flurries were blowing over this city leaving a carpet of white on buildings. Fruit is not damaged, growers say, although branches of trees threaten to break with the heavy weight.

Little damage is reported from frost and the light snow and hail of Tuesday at Toledo, which experienced a drop in temperature from 34 degrees at 11:30 Tuesday morning to 35 above Tuesday night.

An electrical storm late Tuesday at Newark, was followed by a snowstorm early in the evening, heavy flurries continuing during the night. The lowest temperature reached was 32 degrees. A snow storm put a white covering on all buildings.

An inch of snow fell at Marion. The ground was covered and everything had the appearance of winter. Years are expressed for the fruit in this section.

Cleveland experienced its first May snow storm and freezing mid-spring temperature in years. A heavy snow fell this morning following cold, and rain last night. The snow storm was accompanied with temperature ranging between 42 and 35 degrees above zero and wind that reached a velocity of nearly 40 miles an hour. No city of nearly 40 miles on any other day to crops other than fruit was expected.

Snow which began falling in Dayton at 4:00 o'clock Tuesday afternoon and which continued intermittently throughout the night, was still falling today. The thermometer this morning registered 31 degrees, but no damage to crops has been reported.

Many States Shiver

CHICAGO, May 9.—(By the Associated Press)—Unseasonable cold weather which sent the temperature down to freezing and was accompanied by snow flurries, continued to day to bring shivers to the entire central west, but the weather bureau sees relief immediately ahead.

The cold will continue today, however, according to the weather report, with even lower temperatures in the lower Great Lakes Region, the upper Ohio Valley and the Atlantic states.

Snow yesterday was reported as far south as Missouri, Wisconsin, Iowa, Indiana, and other central states sent reports that the furries at times assumed proportions of a winter blizzard. The northern section of Wisconsin told of a three-inch snow fall.

On the other hand isolated spots in the far southwest and on the Pacific coast experienced unseasonably warm weather.

Protest Appointment

BEDFORD, Va., May 9.—(By the Associated Press)—A resolution protesting the appointment of H. M. Stowe, of Marion, Ohio, as postmaster at Bedford, was adopted at a mass meeting here last night which named a committee to go to Washington to present the protest to President Harding. Mr. Stowe, who is said to be an old friend of the president, is an inmate of the Elks' National Home here.

The resolution adopted at the meeting reads:

"The patrons of Bedford, Va. post office unanimously and respectfully protest the appointment of H. M. Stowe, of Marion, Ohio, as postmaster at Bedford. Have Bedford Republicans consent to hold this position. We solemnly request the privilege of interviewing regarding this appointment."

Politics Given A Jolt By Efficiency--Harding Does It

The Portsmouth Times)

WASHINGTON, May 9.—Politics and efficiency have had their first real clash with respect to government operation of merchant ships, and efficiency has won.

Efforts of New Jersey Republicans led by Senator Walter Edge, who is a candidate for reelection next time, to persuade President Harding to reverse the decision of the United States shipping board and permit the giant liner Leviathan to dock at a Hoboken pier instead of New York, have failed completely and the word has been passed out that this incident may be taken as an example of the methods that will be pursued in matters of this kind in the future.

It was insisted that Hoboken, N. J., was entitled to consideration because of its traditional position as well as its proximity to New York.

Sugar Injunction Denied

NEW YORK, May 9.—(By the Associated Press)—Federal Judge Mayer announced this afternoon that the government's application for an injunction to restrain the New York Coffee and Sugar Exchange and the New York Coffee and Sugar Association from dealing in sugar futures had been denied.

WASHINGTON, May 9.—(By the Associated Press)—The refusal of Federal Judge Mayer in New York to enjoin the New York Sugar Exchange from dealing in sugar futures, may result in a direct appeal which will bring the case without delay before the supreme court.

Although declining to discuss Judge Mayer's action in detail, department of justice officials indicated that they were prepared to continue vigorously the fight they have begun in the courts against those they hold responsible for recent sugar price increases.

TO ABANDON STATION
COLUMBUS, O., May 9.—(By the Associated Press)—The Hooking Valley Railroad has been granted authority by the utilities commission to abandon its station at Crawford, Wyandotte county, on June 1, 1923.

Virtually every department of the federal government here was represented at the funeral services, conducted at 10 o'clock this morning at St. Xavier's Church by Rev. F. J. Finn, S. J., celebrant, assisted by Rev. John F. Hickey, deacon, and Dr. R. N. Wagner, sub-deacon. All the official clergyman were personal friends of Mr. Faulkner.

On orders from Washington, the Stars and Stripes above the local federal building was displayed at half-mast during the funeral services, the first time in the history of the city that the flag had been lowered as a mark of respect for a private citizen.

English Trawler Is Seized By Russians

MULLA, May 9.—(By the Associated Press)—It is reported that the English trawler, Lord Aster, has been seized off the Murmansk coast by a Russian gun boat, says the Central News. The seizure is said to have been based on the charge that the trawler was fishing within the Russian territorial limits.

Miss Mindie McFadden, of Providence, R. I., accompanying Miss Lucy T. Aldrich on a world tour, and one of a number of women captured by Chinese bandits and later released, reported ill from exposure.

Court Holds Physician Not Limited On Liquor

NEW YORK, May 9.—(By the Associated Press)—Federal Judge Knox today declared void that portion of the Volstead act which limits the amount of liquor which a physician may prescribe and granted an injunction restraining prohibition authorities from interfering with the practice of Dr. Samuel W. Lambert.

Attaches of the court raised the question whether Judge Knox's decision, if sustained in the higher courts would not deal a blow at the Harrison anti-narcotic act. This act, it was said, prohibits physicians from prescribing increased doses of drugs to drug patients, thus, in effect, limiting the prescribing physician's judgment as to what treatment shall be used.

WASHINGTON, May 9.—(By the Associated Press)—Government officials were uncertain today whether an appeal to the supreme court would be taken from the New York federal court decision declaring void the Volstead law provision limiting physicians' prescriptions for liquor.

The supreme court has not passed on this provision of the prohibition law. It has upheld the Volstead act as a whole but that action does not prevent the court from declaring a particular section void upon submission of the question in a specific case.

Prominent Wheeling Men Caught In Dragnet

WHEELING, W. VA., May 9.—(By the Associated Press)—Eighteen men, among them Sheriff Harry Clouse, of Ohio county, and several prominent business men of Wheeling, were at liberty today under bond ranging from \$2,500 to \$10,000, and federal officers in several adjoining states carried warrants for 69 others in consequence of indictments returned by a federal grand jury yesterday against 87 men charging conspiracy to violate the national prohibition law.

The indictments were the climax of a two weeks' investigation into an alleged liquor combine with ramifications extending into several states. One of the principal witnesses before the grand jury was Cecil H. Kerns, former druggist at Columbus, now serving a term in the Atlanta penitentiary for violation of the liquor laws. The indictments were said to hinge around a huge shipment of alcohol to Wheeling from the Old Hickory Powder Distillery at Hermitage, Tenn., the government alleging that the transaction was handled by Kerns. He was among those indicted.

Others included S. K. Johnson, former city treasurer, of Wheeling; Chester G. Thompson, former city councilman, and Joseph Bennett, deputy Ohio county jailer; Louis Farrell and Charles Nagel, business men. District Attorney Thomas A. Brown declared that the names of those indicted would not be revealed before their arrest.

In a statement issued this morning, Sheriff Clouse denied that he had any connection with the alleged liquor ring.

Federal authorities attached much importance to the indictment against Kerns as they declare he was the principal figure in the \$2,000,000 swindle involving the sending of five carloads of alcohol from the Old Hickory Powder Distillery in Tennessee to a bootlegging combine in Wheeling.

Air Hero To Marry

LOS ANGELES, CALIF., May 9.—(By the Associated Press)—Lieutenant John A. MacReady, who with Lieutenant Oakley G. Kelly recently made a trans-continental non-stop airplane flight from New York to San Diego, will be married here today to Miss Nellie J. Turner, of Columbus, Ohio, according to the Los Angeles Times.

The ceremony was to be performed at 4:30 o'clock at the residence of his parents, Mr. and Mrs. Benjamin MacReady. Mrs. George H. Turner, mother of the bride, was to give her away. Lieutenant Kelly was to be best man. The honeymoon will be passed near San Diego. The couple will make their home at Dayton, O., where Lieutenant MacReady is stationed.

O. S. U. Graduate

COLUMBUS, O., May 9.—(By the Associated Press)—Miss Nellie Joy Turner, whom Los Angeles dispatch says is to become the bride today of Lieutenant John A. MacReady, is a daughter of Mr. and Mrs. George H. Turner, who formerly lived here. The family moved to Los Angeles last summer. Miss Turner attended Ohio State University, and was graduated from a domestic science school at Detroit.

Majors Allen And Pringer And Pringer Jr. Flee

PEKING, May 9.—(By the Associated Press)—Major Roland Pringer, Major Robert Allen, and Major Pringer's son, Roland, Jr., have escaped from the Szechow bandits, who held up the Shanghai-Peking express early last Sunday morning, according to advices received here. This brings the total of those who have escaped or have been released to fourteen, including seven men, six women and one child.

The list of those who have escaped or have been freed by the bandits as compiled here from various sources is as follows:

Major Robert Allen, Major Roland Pringer, Roland Pringer, Jr., A. I. Zimmerman, V. Halmovitch, Carl Heinz, Lloyd Lehrbas, Emil Gensberger, O. G. Jacobsen, F. P. Day, Miss Lucy Aldrich, Miss McFadden, Miss Schenberg, Miss A. Corrali.

Prisoners Need Food
SHANGHAI, May 9.—(By the Associated Press)—Fourteen foreigners, including at least seven Americans, held in the hills back of Lincheng, by the Szechow train bandits, are "almost dead" from lack of food and clothing, and exposure, according to a message received here today from Lincheng.

More Foreigners May Be Held
TIENTSIN, May 9.—(By the Associated Press)—Further advices today made uncertain the number of foreign captives held by Chinese bandits, but it is believed here that several foreigners, including four American missionaries, boarded at way stations the Peking express train which was seized near Szechow Sunday and that therefore these passengers were unharmed.

Thus while thirteen foreigners are known to have escaped the bandits, it is probable that twice that number remain in perilous captivity.

Another outrage occurred on the Tsingtau Railway line Monday night when a Canadian merchant named Lowe, travelling to Shanghai, was pulled from a train by Chinese civilians, beaten, bound and carried away.

To the list of foreigners known to be held by the Chinese train bandits has been added the name of R. H. Rowlett, British manager of Reiss and Company, merchants of Peking. Mr. Rowlett is believed to have been unharmed in San Francisco about six months ago.

Anxiety Allayed
WASHINGTON, May 9.—(By the Associated Press)—The anxiety of officials here for the fate of the Americans and other foreign nationals held captive by the Chinese bandits in Shantung Province, appeared to have been somewhat allayed today by the reports received at the state department from Minister Schurman at Peking.

The department announced late yesterday that it had been advised by the American minister that the Peking government had agreed to pay the ransoms demanded by the bandits on representations made to the prime minister by the Portuguese minister at Peking, dean of the diplomatic corps there. The government also, the department was informed, agreed to act as rapidly as possible in meeting the other demands made by the Portuguese minister in behalf of the diplomatic corps at Peking.

Its demands that in addition to immediate steps to secure release of the captives, the government should conduct an inquiry into the whole affair and take strong military action to put down brigandage in Shantung.

To Fire Governors
The prime minister was said to have stated that the government intended to dismiss the civil and military governors of the province.

In presenting its demands, the diplomatic corps was said to have informed the Chinese foreign office that it "reserved the right over and above any moral and material damages claimed, to demand a progressive indemnity for every day after May 15th, after which the foreigners remain captive."

Developments in the situation, including the reported close pursuit of the bandits by Chinese troops, appear to have made more remote the possibility of using American troops in China, in conjunction with those of other powers. In any event, it was said, such a course would be proposed by this country only as a last resort.

Rev. Pratt Not On Train

DEERFIELD, MASS., May 9.—(By the Associated Press)—Rev. Frank W. Pratt, of Richmond, Va., was not on the train captured by bandits in China last Sunday, as had been thought when Shanghai dispatches mentioned F. W. Pratt as among those seized by the bandits.

His sisters, the Misses Jane and Lucy Pratt, of this town, received a cablegram from the Unitarian minister today sent from Saikwan, China, saying that he and his wife were not on the train.

At Riverside, Calif. The mercury went to 104, the highest May reading on record. Bakersfield, farther north, reported 103.

At Chicago this morning, an inch snow covers the ground and the temperature is slightly below freezing.

The Central West apparently was hardest hit by the momentary return of winter. Upper Wisconsin, the Northern Michigan Peninsula, Minnesota, Northern Nebraska, South Dakota and Iowa, being the chief sufferers.

Special despatches to Omaha indicated heavy damage to fruit trees and vegetable crops in the last three states.

One of the worst storms ever experienced during May, was felt at Milwaukee. Reports from Northern Wisconsin were that freezing with snow overspread that section.

At St. Paul the thermometer went to two degrees below freezing. But rising temperature is predicted for today. Crops in that section of Minnesota were not injured, according to the state agricultural commissioner.

In near southwest, Kansas City reported orchardists and gardeners in many sections of Missouri and Kansas out early this morning to determine the extent of damage to fruit. Hundreds of orchardists in the Ozark region of Missouri and Arkansas burned smudge pots last night in an effort to prevent damage.

The colder weather was felt as far south as Texas, where, although temperatures dropped 20 degrees, it was warm enough for the weather not to approach freezing.

Weather forecasts for Georgia today are clear and cold.

New Orleans and the coast section of Louisiana are not effected materially. The New Orleans temperature early today was above 70.

Bishop Manning Flays Sensational Preachers

NEW YORK, May 9.—Declaring that "The whole diocese of New York is behind me in my recent controversy," Bishop Wm. T. Manning, of the Protestant Episcopal Diocese of New York, delivered an attack on "preachers and teachers who do not preach what they have taken vows to preach," in an address at the 140th annual convention of the New York Diocese yesterday.

Bishop Manning did not directly name Rev. Dr. Percy S. Sikes, Grant, rector of the Protestant Episcopal Church of the Ascension whose views on church doctrines recently caused a controversy with the Bishop, but his address largely was devoted to a reply to the contentions of Dr. Grant on church doctrines and practice. He declared there was no conflict between religion and science and asserted that the element of the supernatural must enter into religion.

His address followed a resolution proposing appointment of a special committee to draft a proposal for examination as to the "mental competency" of ministers who insist on retaining positions of trust and emolument as preachers and teachers in a church whose doctrines they openly repudiate.

The resolution was believed to have been aimed at Dr. Grant and was sent to a committee after a discussion which brought about some opposition. It also declared that the insistence of a clergyman upon his right to hold his post while dissenting from the creed "is so abhorrent

to the universally received and accepted standards of right and wrong as to cause grave doubt as to his mental responsibility."

After referring to the obligations and responsibilities of ministers, Bishop Manning declared there was no reality in the supposed conflict between science and religion, and that the belief that science was committed to the materialist philosophy, excluding belief in the supernatural and possibility of miracles, was out of date.

"The first requirement of us who are called to preach the gospel is our own true personal faith in Jesus Christ," he continued. "The supreme requisite in a Christian minister is sincerity for the sake of his influence of others and for the sake of his soul."

No Fear Of Results.
"We find nothing in the Christian faith which conflicts with the scientific theory of evolution, but on the contrary this theory as to the process of creation seems to us to bring into clearer view both the majesty of the Creator and the glory of His Revelation of Himself in the incarnation. The divine message of salvation by the faith of his church in the Holy Scriptures does not depend and has never depended upon any theory as to their verbal inspiration and has nothing to fear from the results of scholarly research."

A resolution attacking the modern movement in the Episcopal Church was also introduced.

Getting Ready For Horseshoe Season

Plans for the coming horse shoe season are on the way. Individuals or groups who care to participate in this year's tournament are advised to get in touch with the Bureau of Community Service, or call 1715.

A meeting has been called for some day next week where further plans will be discussed and an organization will be formulated for this season.

A special meeting was held on Monday evening at the horse shoe grounds with Mark Selby of the Park Commission; Charles Howland representing the Horse Shoe League, and L. A. Norris, representing the Bureau of Community Service, together with some seven or eight members of the league being present. Mr. Selby has been deeply interested in horse shoe tournaments for some years past, and is anxious to give these men adequate accommodations for playing the game. Plans are now on the way to provide adequate courts with wooden platforms and clay bowls. Mr. Selby also stated that the Universal Motor Company had volunteered to give the Park Commission used Ford axles, which have been considered by the National Horse Shoe Commission to be the best pegs to use in "Barriard Golf."

This is the time to enjoy fresh pineapples. They are arriving by fast steamer daily from the haciendas of Cuba where the world's finest pineapples are grown.

Eat Pineapples Often for Health

Now that they are abundant, and cost so little, you should serve fresh pineapples often. Your family will enjoy them. They are easy to prepare if you use the way shown here, taught us by the Cuban housewife.

Try pineapple for breakfast! Use it for salads, desserts, pies, puddings, tarts, etc. We have prepared a little book of recipes for serving the fresh fruit. Write for it. It is free. Put up pineapples at home, now while they are abundant and cheap. Home canned pineapples are preferred because they retain the flavor and tartness of the fresh fruit.

How to Prepare Fresh Pineapple

1. Wash the pineapple thoroughly in one hand, then take hold of foliage with the other hand and twist it off.
2. View slices the fruit across in thick slices not less than three-quarters of an inch thick.
3. Put a slice on a plate. Then run a sharp knife around the edge of the slice, inside the peel. It then comes out without any waste.
4. Cut across the slice as shown in diagram, four cuts on each side of the core. The core will be out without any waste.

Petty Thieves At Work In Ironton

IRONTON, O., May 9.—Complaints reaching the police department indicate that petty thieves are again at work in various parts of the city.

The Wm. Anderson home at 214 south Sixth street, was entered and a small amount of cash and several articles of minor value taken.

The home of W. T. Bingham at 1722 south Fifth street, was also entered, and a pocketbook containing an unknown amount of cash was taken. The pocketbook was the property of a guest at the Bingham home and the theft was not discovered until she prepared to leave on an early train.

An investigation disclosed that entry had been effected through a window.

class fight! When asked by another undergraduate whether he intended to be on "the big night," Leighton was undecided, she said, but that she had advised him to "play the game when the game was worth playing and be a 'good sport'."

"I knew Leighton had been a real boy," Mrs. Mount said. "I wanted him to be a real man. And so I urged my boy to go to the university class rush. And he went."

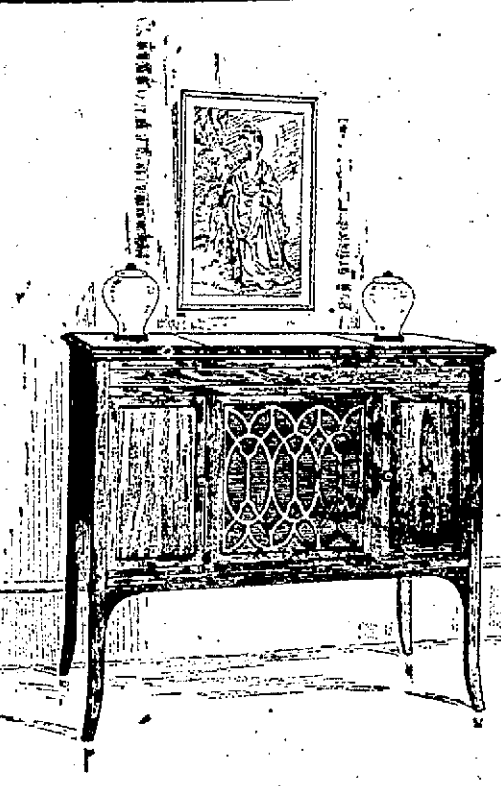

Mills, brought back to Chicago from Akron, Ohio, after he had been reported to be in various places in the west, provided the sensation of the grand jury hearing, when it was said, he testified President Walter D. Scott of Northwestern University had directed that the search for Mount be stopped after three days of effort failed to find the youth.

Mills said he did not know Mount and had no knowledge of what happened to him on the night of the class rush. He said he participated in the search because he was a class leader.

We Admit It— This Is A Comfort Shoe

It is often difficult to interest women in comfort shoes, because they know from experience that a shoe made especially for ease is likely to be very unlovely to look at. They never suspect Modease as a comfort shoe until we tell them.

Modease is a J. & T. Cousins Shoe designed on true comfort principles, but made in the finer materials and by the more painstaking methods used for seventy-five years by this well-known firm. Naturally it is different in appearance from health or comfort shoes turned out in huge quantities. Come in and let us prove to you that Modease is really "The comfort shoe that's also smart."

Politics Given

(Continued From Page One)

because of a willingness to furnish dock space free. The New York Municipal Pier will cost the government a rental of about \$100,000 a year. The shipping board experts who took the matter under advisement originally came to the conclusion that even with the free rental it would cost the government more in the end because the transshipment of mails across the Hudson River by ferry and the other inconveniences to passengers who would wish to drive to the pier either in their own automobiles or in taxi cabs would tend to drive business to the foreign vessels which have piers in New York City.

As an evidence of the wisdom of their contention, the experts pointed out to Mr. Harding that the foreign companies were very anxious to pre-empt the possible docking of the Leviathan on the New York side of the river. It was represented that they believed they would be in a better competitive position if the Leviathan were kept on the Hoboken side. The postoffice department estimated a cost of \$3,500 in carrying the mails across for each trip but the controlling consideration was convenience to prospective passengers.

Business Judgment Decided In Favor Of New York City Pier

It rarely happens that the government turns down something that is offered free when it has to pay \$100,000 a year for virtually the same thing and this was emphasized by the New Jersey contingent. Business judgment alone could decide whether in the long run it would be more profitable to operate from a New York City pier and the president and Chairman Lasker, who were in Florida when the shipping experts made their decision took the side of the experts and have stood squarely behind them ever since.

While Hoboken is a Democratic community and so is New York City, it would have probably benefited Senator Walter Edge, Republican, politically if he could have swung the decision to Hoboken. He has been a staunch administration Republican and will have a state which has just elected a Democratic United States senator. Naturally he is disappointed at the lack of political support given him by the administration but expediency will have little effect on the government's shipping policy and Mr. Harding has taken occasion to point out that if aggressive competition with foreign ships is to be effectively conducted by the United States government it cannot give consideration to political factors.

Politicians Disappointed

The shipping board has been under constant bombardment from the politicians, but one after the other, senators and the representatives who have sought favor for their constituents have not found the shipping board amenable to their wishes. The board as a rule has made its decision and put up to Mr. Harding the question of whether he wished to reverse them for political reasons, but the president has in every instance refused to allow politics to sway him. He feels that such a course is more than ever necessary now when larger appropriations will be needed to keep the government's fleet in active competition with foreign ships. Business efficiency alone will be the deciding factor and if Mr. Harding can manage it the shipping board will have even less politics in it than the handling of funds in the old days for naval ship yards and repairs.

Already there have been cases in which Southern ship yards have bid less for repair work than Northern yards located in Republican states but the government has let its contract to lowest bidder—it has done what a private concern would do under similar circumstances and that will continue to be the ruling principle of shipping board operations hereafter.

ADVENTURES OF THE TWINS

by Olive Roberts Barton

MORE RAGSIES

Mr. Tatters introduced them all around

As soon as Mister Tatters took Nancy and Nick to Raggy Town, a hundred little Ragsies crowded around at once.

Nancy could hardly keep from laughing. They looked so funny. They were so tattered and torn they looked like rag-bags, and they wore the queerest things for clothes. One had a stocking for a cap and a pair of ear-muffs for shoes. Another wore a shirt with holes cut in it for arms and legs. One was dressed in a mitten and a fourth had a ten-cosy for a coat, which made him look like a stuffed pillow.

But they were all, as happy and merry as clowns and seemed so glad to see the Twins, the children soon forgot all about their queer looking clothes and smelly faces.

Mr. Tatters introduced them all around.

Nancy and Nick, this is Vagabond Vagabond, this is Nancy and Nick, the Twins.

Vagabond tipped his hat made out of a corn husk, and said he was much obliged to meet them.

"And this is Rag Tag," said Mr. Tatters, trotting up another little patch-work fairy who scurried a grand bow and doffed his cap also. "And this is Bob Tail," said Mr. Tatters. "Bob Tail, now behave your manners and act like a gentleman."

Bob Tail dressed in a shabby bunny skin, bent low and said he hoped to die if he wasn't glad to see them.

Then Mister Tatters finished up with a grand wave of his hand. "And here are Shabby Coat and Billy Oh, and Harum Scrum. Boys, remember your bringing up and show the Twins what fine gentlemen Ragsies can be."

So the Ragsies all lined up and said, "How do you do," and "How were they," and "Delighted" until Nancy and Nick thought they had never seen such polite people before.

They were beginning to like Raggy Land.

JACK DAW'S ADVENTURES IN THE LAND OF MINEY MOE

BY ELTON

Suddenly everything began to get dark! Jack was a bit afraid at first and then he discovered that the basket was merely traveling through a cloud of smoke that was coming from one of the queer buildings below. When he was once more out in the clear air, the basket slowly started to drop.

I wonder if I am going to land in a big tree, or maybe on top of a house, thought Jack. But the basket seemed to know the safe way for it, circled around until it found open spaces to drop through. Jack then noticed that the ground was very close and he stood up, ready to get out when he landed.

And then he saw Benny Meeny. "Here we are, sonny," shouted the mystery man, as he helped Jack and Elly out. "Right back in the woods." And taking his basket, Benny Meeny disappeared. And Jack's trip to the land of Miney Moe was over. Jack Daw's next adventure is on the Flying Horse.

Strange Mstery In Man's Disappearance

Warren J. Lincoln, a well-to-do Aurora (Illinois) man, has strangely disappeared from his home. A good-looking Indian club was found in the rear of his home, together with signs of a struggle. At the same time Lincoln's wife, Mrs. Lina Shoup Lincoln, from whom he was estranged, and her brother, Byron Shoup, who had an altercation with Lincoln, vanished, and no trace of them has been found. Lincoln lived alone with Marie Klein, a 12-year-old girl, who acted as his housekeeper and who has given the police much valuable information.

Sluggish Credit Conditions May Check Price Rise

COLUMBUS, O., May 9.—Threatened sluggish credit conditions over the state may temporarily suspend the current rise of prices and check the progress of business, according to a financial forecast just issued by the Ohio Bankers Association.

Money for building purposes and advancing business enterprises is becoming less and less available, the forecast stated. Lending institutions are said to be demanding firmer collateral in their monetary negotiations. The banks in Ohio in the last six months, it is stated, have been unable to supply funds to home building and industries with the capital necessary for production, the report continued.

A statement from the bank department of Ohio covering state and national banks showed that Ohio banks have entrusted to the industries of the state more than \$1,170,000,000 and real estate and agricultural enterprises are responsible for loans amounting to \$410,000,000 showing an increase of 12 per cent over the similar record of the previous year, the report stated.

"The banks of Ohio are making every available effort to tide the home industries over the threatened credit slump during the summer months," stated W. H. Teasdale, of Toledo, president of Ohio Bankers Association.

"In many sections of the state banks have so drained their resources to meet the demands of industry that they have been compelled to reduce a portion of their notes on hand," he said.

Saunders Offers To Turn Over Piggy-Wiggly Control

MEMPHIS, TENN., May 9.—(By the Associated Press)—Lending stock holders of Piggy-Wiggly Stores, Inc., are in conference today over action to be taken on the proposal of Clarence Saunders, president of the corporation, that turn over control of the company to "special committee" which the present stockholders should name.

Mr. Saunders' proposal was made late last night, he said, "because certain powerful interests in this city are opposing him 'because they do not like me.' This announcement came at the close of a meeting of two hundred or more local business men, who were conducting, as volunteer salesmen, a city-wide campaign of personal solicitation for the sale of fifty thousand shares of Piggy-Wiggly stock to the public and was all the more surprising in view of the report published a short time earlier that 25,000 shares had been sold in the first two days of the drive.

O. E. Rickey Talks To Kiwanians

At Wednesday's noonday luncheon of the Kiwanis club, Member Orla Rickey gave the entire membership something to ponder over for several weeks to come in his twenty-minute address on the subject, "We Build." Mr. Rickey made an impassioned appeal to the members of the club to become more active in the program of the Kiwanis International, namely, "A Square Deal for the Underprivileged Child—a Future Citizen." He brought the application right down to the duty of every Kiwanian, and was warmly complimented upon the ideals set forth. Mr. Rickey is one of the best speakers in the city and during his twenty minutes' talk there was not an idle word used. He touched upon the social side of life, complimenting the club upon its wealth of entertainers, but he hammered home the real duties of real Kiwanians and at the close was made to feel the members appreciated his splendid address. It was announced that on next Wednesday, M. A. Coe would speak along the same lines and the members are glad to know that the "Square Deal" will take up the discussion and continue the good work started by Mr. Rickey.

Thanks to the presence of Harry Armstrong, head of the Armstrong Theatrical Exchange, Chicago, the members were further entertained. Mr. Armstrong, who has been in the theatrical business practically all his life, not only as a producer, but actor as well, related of several good stories and told in such a way that they will stay "put." The meeting Wednesday was virtually a 100 per cent affair, it being necessary to use the two rooms to accommodate the crowd.

Urges Export Of U. S. Gold

NEW YORK, May 9.—(By the Associated Press)—Exportation of much of the gold that flowed to this country because of the war, was urged last night by Secretary of Commerce, Hoover, to stimulate foreign trade, prevent an era of unparalleled credit and price inflation in this country and aid stabilization of European currencies by making their paper convertible into gold.

"The United States has a gold reserve of three billion dollars, one billion of it not only useless but potentially dangerous to it, he told an audience of members of the United States Chamber of Commerce.

"I am convinced," he said, "the surplus of gold will eventually flow outward in an orderly way through trade channels without any necessary increase in price levels and its flow will make no disturbance in our business life."

To Stand Behind Appointment

WASHINGTON, May 9.—(By the Associated Press)—The appointment of H. M. 98 OUT OF EVERY 100 WOMEN BENEFITED

An Absolutely Reliable Statement Important to Every Woman

Remarkable Results Shown by a Nation Wide Canvass of Women Purchasers of Lydia E. Pinkham's Vegetable Compound. 50,000 Women Answer

For some time a circular has been enclosed with each bottle of our medicine bearing this question: "Have you received benefit from taking Lydia E. Pinkham's Vegetable Compound?"

Replies, to date, have been received from over 50,000 women answering that question.

98 per cent of which say YES. That means that 98 out of every 100 women who take the medicine for the ailments for which it is recommended are benefited by it.

This is a most remarkable record of efficiency. We doubt if any other medicine in the world equals it.

Think of it—only two women out of 100 received no benefit—98 successes out of a possible 100.

Did you ever hear anything like it? We must admit that, ourselves, are astonished.

Such evidence should induce every woman suffering from any ailment peculiar to her sex to try Lydia E. Pinkham's Vegetable Compound and see if she can't be one of the 98. The Lydia E. Pinkham Medicine Co., Lynn, Mass.

Of course we know that our medicine does benefit the large majority of women who take it. But that only two out of 100 received no benefit is most astonishing.

It only goes to prove, however, that a medicine specialized for certain definite ailments—not a cure-all—one that is made by the most scientific process; not from drugs, but from a combination of nature's roots and herbs, can and does do more good than hastily prepared prescriptions.

You see, we have been making, improving and refining this medicine for over 50 years until it is so perfect and so well adapted to women's needs that it actually has the virtue to benefit 98 out of every 100 women who take it.

Its reliability and recognized efficiency has gained for it a sale in almost every country in the world—leading all others.

Such evidence should induce every woman suffering from any ailment peculiar to her sex to try Lydia E. Pinkham's Vegetable Compound and see if she can't be one of the 98. The Lydia E. Pinkham Medicine Co., Lynn, Mass.

"Those pains around your heart after eating are caused by gas pressure from the stomach. That shortness of breath and palpitation can also be traced to the same source. Your fingers, arms and limbs feel numb and 'go to sleep' because the gas pressure restricts circulation in various parts of your body."

"The best and quickest way to relieve this condition is to take Haeblmann's Gas Tablets before and after meals. Stop at the nearest drug store and get a dollar package of genuine Haeblmann's Gas Tablets. The very first dose should give much relief. With a rush, many seats being reserved for both performances. The play this year is "A Midsummer Night's Dream," by Shakespeare, a production that promises to maintain the high standard set by previous plays given by the Seniors of P. H. S. The play calls for a cast of sixty, with beautiful costumes and special stage settings ordered from Columbus. In addition to the regular play, several special dances will be given. The sixty members of the class who are to take part in the play, have been rehearsing faithfully for several weeks and in the manner in which the final rehearsals have been moving off indicates a successful production. The P. H. S. students have been selling tickets for several weeks, and the size of the advance reservations indicates two banner crowds.

Woman's Hands Can Be As Attractive As Her Face, Says Beauty Expert

By Mme. Helene Rubinstein
International Beauty Expert

WOMAN'S hands should be no less lovely than her face and may be cultivated to a point of exquisiteness quite beyond that of her features.

The added attraction which any woman may achieve through the cultivation of her hands more than repays the trouble it makes.

The dainty feminine type of woman always has lovely hands, even if she does all her own housework and indulges in outdoor sports.

In a masculine cleanliness is the first consideration. When you cleanse your hands from time to time during the day do it thoroughly. Don't dabble them in a little cold water which rinses off the surface dirt and grinds in the rest.

Wash in tepid water, using a good soap. If soft water is not available, add a little borax or a few drops of ammonia.

Scrub the nails with a nail brush and remove any stains with lemon juice. Then, after drying the hands, use a little glycerin or any soothing lotion that agrees with your skin.

At night rub cold cream well into the hands, after cleansing, particularly about the nails. Then draw on a pair of roomy old gloves and keep the hands anointed and protected during the night.

In the morning wash the hands in soap and water. Then massage a little skin food into the skin and rub down the cuticle about the nails with an orange-wood stick.

The nails, of course, require extra care, but every woman can be her own manicurist if she will equip herself with slender, curved scissors, a nail file, a buffer and an orange-wood stick. It might be well to mention that it is no longer considered good form to over-polish the nails or to file them to long points.

A slender, flexible wrist and well-rounded arm add to the beauty of the hand and can be attained by exercise and massage. All arm exercises are bound to be good for the hands, and the graceful motions learned in classical dancing train them to assume poses of beauty and grace.

OVER \$7500.00

for Grape-Nuts Recipes

The Postum Cereal Company will buy not less than 101 Recipes or suggestions for new Uses of Grape-Nuts, paying \$50.00 for each one accepted. And in addition—

Good Housekeeping Institute, conducted by Good Housekeeping Magazine, will decide an award of \$2500.00 for the best four of the 101 or more Recipes or suggestions for new Uses of Grape-Nuts, so purchased:

\$1000.00 for the 1st selection	\$750.00 for the 2nd selection
\$500.00 for the 3rd selection	\$250.00 for the 4th selection

Read carefully the terms of this offer so that you may have the fullest opportunity to share in its benefits. The conditions are so simple and fair that every housewife in the United States can take part in this National Recipe Festival!

Save this announcement, read it carefully, and keep for reference. It may mean money and knowledge to you.

There Is No Other Food Like Grape-Nuts

WHILE practically every man, woman and child in the English-speaking world knows Grape-Nuts as a delicious, nourishing and wholesome cereal, and while it is common knowledge that Grape-Nuts with milk or cream is a complete food, many housewives do not know of the appetizing and economical dishes that can be prepared with Grape-Nuts. It lends itself, we believe, to more uses than any other cereal. The convenience and economy of Grape-Nuts, and the flavor, zest and wholesomeness which it imparts to other food, make it invaluable in every home.

Frequently we receive interesting letters from women throughout the country, telling about the attractive dishes they make with Grape-Nuts—delicious puddings, salads,

dressings for fowls, etc. No doubt there are thousands of women who are finding varied uses for Grape-Nuts in their home cooking, and even more thousands who will be glad to learn of those varied uses; for while we all cling to old favorite dishes, we also welcome and enjoy a change.

So that is the thought back of our offer of more than \$7500.00 in cash for new ways of using Grape-Nuts. To those women who are already using Grape-Nuts in various ways, other than as a breakfast cereal or in the recipes given here, and to those women who would like to try their hand at developing some new way to use Grape-Nuts, we offer to buy at \$50.00 each not less than 101 new Grape-Nuts Recipes. We plan to include these new Recipes in a beautifully illustrated cook book.

What Is Grape-Nuts?

Grape-Nuts is a highly nutritious food in the form of crisp, golden granules. It contains the full nutrient of wheat and barley, including vitamin-B and mineral elements required for building sturdy health. These elements are often lacking in the ordinary diet, chiefly through "over-refinement" in the preparation of food.

No other food is so thoroughly baked as Grape-Nuts. More than 20 hours are consumed in the baking process which makes Grape-Nuts easy to digest, and also develops a natural sweetness from the grains themselves.

The form and crispness of Grape-Nuts invite thorough mastication—a decided advantage because this not only provides proper exercise for the

teeth, but makes for good digestion. Every housewife in the Land should take advantage of this extraordinary opportunity to earn the tidy sum of \$50.00 by a little pleasant and educational effort in her own home. Also the fair and equal chance to secure one of the liberal awards to be made by Good Housekeeping Institute.

Moreover, there's the greater knowledge of the value of Grape-Nuts, not only as a delicious breakfast cereal, but in the preparation of a variety of appetizing dishes that add to the health and pleasure of the whole family.

Where you don't find Grape-Nuts you won't find people "There's a Reason"

Sold by grocers everywhere!

Conditions Governing the Purchase of, and Awards for Grape-Nuts Recipes

The Postum Cereal Company will buy not less than 101 Recipes or suggestions for new Uses of Grape-Nuts, paying \$50.00 for each one accepted. This offer is open to every person in the United States.

Good Housekeeping Institute, conducted by Good Housekeeping Magazine, will decide an award of \$2500.00 for the best four of the 101 or more Recipes or suggestions for new Uses of Grape-Nuts, so purchased. \$1000.00 for the 1st selection; \$750.00 for the 2nd selection; \$500.00 for the 3rd selection; and \$250.00 for the 4th selection.

Recipes must be mailed between May 1st, 1923 and August 31st, 1923.

Recipes or suggestions for new uses submitted for purchase must not duplicate any of the ten Recipes printed in this announcement.

No Recipe will be purchased from anyone directly or indirectly connected with the Postum Cereal Company, Inc., or Good Housekeeping Institute.

If more than one Recipe is offered, each must be written on a separate sheet. Write name and address plainly on each Recipe submitted.

In the event of a tie for any award offered, an award identical in all respects with that tied for will be made to each one tying.

It is not necessary to purchase Grape-Nuts. A suitable quantity will be sent upon request to those desiring to submit recipes.

Your Recipe should state the exact number intended to be served. Recipes should be carefully tested to make sure that proportions and directions for preparing will bring best results.

Form of Recipe: First, write name of your Recipe at top of sheet; underneath list all ingredients, using level measurements only; then the directions for preparing, worded simply and accurately. Do not send specimen dish.

In considering Recipes for purchase, and for awards by Good Housekeeping Institute, account will be taken of the following points:

- (a) Palatability.
- (b) Simplicity and economy.
- (c) Accuracy and clearness of expression of recipe.

Announcement of the Recipes purchased, and Awards by Good Housekeeping Institute, will be made in January Good Housekeeping.

Recipes submitted to the Postum Cereal Company for purchase will not be returned.

All Recipes must be addressed to

MILITARISTS MAY BLOCK PLANS

PEKING, May 9.—(By The Associated Press)—While the government issued orders this morning to the foreign commissioner of Shanghai Province to comply with all the demands of the Suchow train bandits who have been holding for ransom a number of Americans and other foreigners, diplomatic circles were not optimistic over the prospect for an early release of the captives. The foreign ministers expressed the opinion that the Chinese cabinet was willing to pay the necessary ransom but pointed out that the militarists of China probably would intervene and insist on continuing operations against the bandits.

STATE TO RECEIVE MONEY

COLUMBUS, O., May 9.—Ohio will receive \$22,500 from the national government for continuing the farm-to-farm search for common barberry bushes this year, according to John W. Baringer, state leader of the federal rust control forces. In addition, he said, the state will receive \$5000 to match money to be spent in combating the spread of black stem rust. This will make a total to be spent this year, which is about \$10,000 more than was available last season.

Piketon Treasurer And Councilman Resign

(Special To Times)

PIKETON, May 9.—The regular monthly meeting of the village council was held at Mayor Bateman's office in the city building Monday evening. The resignation of two of the mayor's official family, Treasurer George Neesler and Councilman Clarence Black were tendered at this meeting and accepted by the mayor. As the business affairs of these two officials necessitated their being absent from the village a greater part of their time and feeling that on that account they were not able to attend to the duties of their offices they decided to resign. Minutes of last month's regular meeting and several special meetings held during the month were read by Clerk John W. Stratton and approved by the council. The matter of putting a sewer under Main street was taken up at the meeting and it would seem from the discussion that ensued, that the work is being held up because the State Highway Department and the Village officials can not agree as to the location of the sewer. Mr. Graham of the department was expected to arrive in Piketon to confer with Mayor Bateman in regard to the difference.

Despondent Ex-Soldier Tries To Kill Himself

Suicide by taking poison, was the method through which Cecil Lindamood attempted to pass out of this world last night, at his room, 1228 Front street. His nerve failed him at the last minute and he sent in a hurry call for a physician and relatives and quick work by the physician saved his life, the poison being removed from his stomach within less than ten minutes after he had swallowed it out of a tube he purchased yesterday.

Domestic troubles galore, along with worry over his inability to work on account of illness, and the cutting down of his government compensation, are given by Lindamood as the reasons for his attempt to end his life.

Lindamood has been married less than a year, and his domestic troubles have been numerous. Only recently Mrs. Marie Lindamood had

him arrested, but when she failed to press the charges, he was dismissed. Yesterday more trouble at home resulted in the husband having his wife arrested on disorderly conduct with another man caused their quarrels Monday and Tuesday. In court Lindamood also claimed that his wife administered emetics that removed the poison. The poison was slow acting and it would have taken several days for it to act, according to the physician. Later relatives called Dr. J. S. Rardin, but he found that there was nothing further that could be done for the young man, who is about 22 years of age.

About 7:30 o'clock last night Lindamood took the poison. A few min-

utes later, when he felt himself getting deathly sick, he went to a neighbor's house and summoned a physician himself and then had to be assisted back to his room and bed. Later he insisted that his wife be called to his bedside. She was located at the home of relatives and went to his room.

Dr. O. D. Tatje was called and he administered emetics that removed the poison. The poison was slow acting and it would have taken several days for it to act, according to the physician. Later relatives called Dr. J. S. Rardin, but he found that there was nothing further that could be done for the young man, who is about 22 years of age.

Drop In Temperature And May-Day
Snowstorm Fail To Damage Fruit

According to the local weather bureau in charge of Dr. H. A. Schirman, Wednesday was one of the coldest May days on record. A real mid-winter snowstorm prevailed today, snow falling during most of the day. However, it did not stick to Mother Earth. The temperature began falling Tuesday noon and kept on dropping down until this morning when it touched 32, freezing point, as the lowest.

J. M. Stockham stated today that the cold snap did not damage the fruit crop last night or this morning, but it would if it cleared up and a heavy frost prevailed.

"I made an examination at various places today, and much to my gratification, I learned that the fruit crop so far was not damaged," Mr. Stockham said today.

WILL GIVE MINSTREL IN EFFORT
TO CLEAR UP DEBT ON CHURCH

In an effort to raise funds to pay off a debt on the M. E. parsonage at South Webster, young men of the village will give a minstrel, "At G. Cornfield Presents Docah Johnson" at the South Webster high school auditorium Friday night at 8 o'clock. Two years ago a minstrel was given by South Webster talent and it was a big success. An effort is being made to make this minstrel a greater success.

To Observe Ascension Day At All Saints'

Ascension Day, also called Holy Thursday, is one of the great feasts of the church and will be observed at All Saints' church tomorrow when the Rector will celebrate the Holy Communion in the church at 10:00 a.m.

This will be the only service of the day and all who are able to attend are requested to avail themselves of the opportunity to commemorate the fact that Christ ascended into heaven and sitteth upon the right hand of God the Father Almighty. Ascension Day always comes forty days after Easter and ten days before the Feast of Pentecost. At the Ascension of Christ the blessed Virgin was present with the Apostles. It was accounted one of the seven, and the last of her great sorrows, to be left behind on earth.

Sees All, Knows All, Tells All
MADAME FONEDA
America's Greatest Practical Life
Advisor and Medium

Guaranteed to read
your entire life, past
present and future.
She asks no ques-
tions, but before
you utter a word
she tells you what
you called for.
Names of friends
enemies, how to
gain success in busi-
ness, health, court-
ship, marriage, di-
vorce, tells you
what part of the
world will be successful
for you, advises you
to gain and hold a good
position, and tells of the
one you love is true or
false. Are you in
trouble? Do you find the
one you have bestowed
your trust and affection
upon acting cool and in-
different toward you?
She will remove all ob-
stacles and tell you how
to win and hold the
one you desire; she reunites
the separated, locates
absent friends and
relatives.

MADAME NINA GIFTED PALMIST AND CLAIRVOYANT

PURST DAME IN BUSINESS IN CITY
Unlike ordinary people Madame Nina has possessed the ex-
traordinary power from childhood. Gives true advice on
business, love and family affairs and what to do to be
successful in life. Tells you what business is most lucky
for you and what part of the world will be more success-
ful for you, advises how to gain and hold a good posi-
tion; she tells if the one you love is true or false and
causes speedy marriage with the one of your choice;
brings the separated together, makes happiness between
man and wife, she tells you the secrets of being happy
and successful in anything you take in hand, and does
not tell to please you, but gives truthful advice you can
depend on. Satisfaction guaranteed.

DUKE OF YORK WEDS

Prince Albert, Duke of York and second son of England's king, and Lady Elizabeth Bowes-Lyon, daughter of the Earl of Strathmore, photographed as they were pronounced man and wife at the historic golden altar in Westminster Abbey. To the right are the king and queen, the queen mother, the Prince of Wales, Viscount Lascelles and Princess Mary and others of the royal family. If the Prince of Wales does not marry, he may renounce the throne in favor of the Duke of York. Hence this picture may be the record of the elevation of "Lady Betty" to a queenhood.

Mrs. H. P. Chandler, Who Has Relatives Here, Is Killed In Auto Accident In Indianapolis

Rev. C. E. Chandler, pastor of Bigelow church, received a message Wednesday conveying the news of the tragic death of his sister-in-law, Mrs. H. P. Chandler, wife of H. P. Chandler of Mansfield, Ohio. The fatal accident occurred in Indianapolis, and the brief message received here gave no details of the fatality.

Mrs. Chandler and family were on a motor trip when their car flipped in an accident in which she lost her life.

Mrs. Chandler, who was 42 years of age, in addition to her husband, leaves eight children, the oldest being 22 years old. Mr. Chandler is identified with the Ohio Brass and Steel company of Mansfield.

Mrs. Chandler was a sister of Mrs. Arthur Oakes of 1645 Seventh street, this city, and she had frequently visited in Portsmouth.

Rev. Chandler is making an effort to learn the circumstances surrounding the death of his sister-in-law.

At Excelsior Plant
John Stokes, of Ninth street, has taken a job in the Excelsior shoe plant.

Farm Agent Opti mistic Over Fruit

County Farm Agent W. F. Gahn stated this afternoon that the present cold snap has not as yet injured the fruit and that it would have to clear up with a sudden drop in temperature before any material damage was caused. There was no frost last

cold enough for frost no damage will be done to the fruit. Should the cold snap continue for several days, along with wet weather and a further drop in mercury, untold damage would be caused to the fruit.

At Jackson Meeting

Mrs. G. D. Waite and others of the Women's Home Missionary Societies of the M. E. church in this city left this morning for Jackson where the annual meeting of Portsmouth District W. H. M. Society, M. E. church, was held today in the M. E. church. Waite is president of the Portsmouth District organization. The meeting opened with a session at 8:30 this morning and comes to a close tonight when a banquet entitled "Queen Esther's Choice" will be presented.

Forged Name Of Schwab

NEW YORK, May 9.—(By the Associated Press)—Mrs. Myrtle B. Hughes, Boston business woman now living in this city, today was indicted on a charge of having forged the name of Charles M. Schwab to a \$25,000 note in connection with the erection of the Hotel Chatham in Boston.

When the indictment was on one count, it is alleged that she negotiated 17 notes totaling \$325,000 bearing the name of the Iron Master as endorsement.

Mr. Schwab testified before the grand jury, George Gordon Battle, attorney for Mrs. Hughes, told reporters there was no possibility of his client having made a cent out of the alleged forgery.

"It was in connection with financing the Hotel Chatham in Boston," he added.

Loss Is Adjusted

Thomas K. Brushard stated Wednesday that the loss sustained on the Brushard property, Sixth and Chillicothe streets, by fire recently, has been adjusted and the work of repairing the building will be started at once.

QUESTION RAISED AS TO WHETHER "KING" PURNELL EVER GOT DIVORCE

ST. JOSEPH, MICH., May 9.—(By United Press)—"Queen" Mary Purnell was summoned to appear in the House of David investigation and defend her husband, "King" Benjamin Purnell, against his enemies, "Queen" Mary is to appear today and face Mrs. Hazel May Wuerth who charges she ("Queen" Mary) "ramped" Benjamin away from his first wife and that the "seventh son of God," as Benjamin is called, indulged in immoral practices with young girls at St. Joseph. An attempt will be made to compel the witness to divulge Benjamin's whereabouts.

While "Queen" Mary testified, Mrs. Wuerth, a former member of the colony, who spent many years attempting to secure a probe of the cult, will cross examine her. She is acting as special advisor to Judge Harry Dingeman, conducting the examination. She charges that Purnell and his first wife were never divorced and that the King and Mary were married only by cult ceremony. She says the first wife now lives at Portsmouth, Ohio.

Benjamin and his "Queen" are declared to occupy widely separated apartments at the "Israelite colony." Witnesses have charged this was so the cult leader would not be hampered in associations with alleged harem favorites.

Mrs. Angelina Brown Purnell Barnett, Stephens, of Mill and Waller streets, who claims she was the first wife of Purnell, on hearing of the latest turn in the cult probe, that "King" Benjamin was never divorced, said today that she believes he obtained a divorce from her in Indiana. She says she received a legal notice from a court in Indiana that Purnell had obtained a divorce. She does not remember the name of the city or county and says that her records were lost in the 1913 flood.

Mrs. Stephens claims that it was about 10 years ago when she secured the divorce and that she felt sure they were legally divorced or she would not have married again. The wife, Mary Purnell, was here with Purnell when he visited Portsmouth to preach about twenty years ago. She visited at the home of Mrs. Sarah Evans, Waller street, a daughter by his first wife.

GRANTED DAMAGES

CLEVELAND, O., May 9.—(Frank Loschlar, a former deputy sheriff, was awarded judgment of \$3,430 today for injuries sustained when his automobile truck was struck by a Northern Ohio Traction Interurban car at Akron, May 21, 1917. He was awarded \$25,000 by a jury in December, 1919, but on appeal the supreme court gave the traction company a second hearing.

NO DAMAGE DONE

SPRINGFIELD, May 9.—Nurserymen report that no damage has been done by the snow storm today. They say that the clinging snow has acted as a protection to the fruit trees and that unless the temperature drops materially the crop will be saved.

No Use Kicking, Says Mr. Weinberg

"There is no use of kicking about this weather," Johnny Weinberg said today as he swung on his express wagon with the agility of Douglas Fairbanks.

"I remember a few years ago when owing to the continued cold weather, we could not open the Ohio State League season here in May owing to real wintry weather. Why it rained, snowed and hailed every day for ten days."

Radio Brings "Air Tappers"

CLEVELAND, O., May 9.—(By the Associated Press)—The radio has brought about the "air tappers" as betting successors to the wire-tappers of ancient days, as a means of getting advance horse race results in wagers with bookmakers. Yesterday a radio set was found concealed in a tree behind a lamp at the Maple Heights running track here. Track police located the apparatus and tore it from its lodgings.

Track officials believe gamblers planned to use the device to flash race results to accomplices down town who would try to bet with bookmakers before the results could be telegraphed to the city.

Miss Edna Wallace was the most charming and gracious hostess at a breakfast in the form of a luncheon given in honor of Miss Agnes Taylor, niece of Mr. Conner E. Manley of Miles, Ohio.

The affair was one of the many to be given in honor of the bride-elect. The wedding is to be early in the summer season.

Many dainty and useful gifts were bestowed. After the happy exchange of gifts, a most delicious ice-course was served, consisting of lemon-ice and small heart-shaped cakes, bearing the initials of the bride and groom-elect. Favors in the shape of small baskets of mints were at the plates of each of the party.

Miss Wallace was ably assisted in the serving by Miss Madeline Morris. The guests were: Misses Ruth Stenshorn, George Roberts, Ruth Stenshorn, Madeline Morris, Helen Hubble, Road, Andrews, Norma McNeal, Aris Smith, Emmanuelle Bihlman, Garner Morgan of Cincinnati, Mrs. O. B. Price of Huntington, W. Va., and the honored guest.

Miss Taylor is the charming daughter of Mr. and Mrs. C. Taylor of Lucasville, Ohio. Mr. Manley is the son of Mr. and Mrs. Neal Manley of Ashland, Ky., and is at present located in Miles, Ohio.

Mrs. C. K. Jones of 706 Campbell avenue left today for a visit at her former home in Los Angeles, California, where she will visit until early next fall. She made the trip with her brother-in-law and sister, Mr. and Mrs. William McSwain of Los Angeles, Calif. Their son-in-law, Mr. T. H. Endicott and Mr. William Mills of Tonkawa, Oklahoma, who have been the guests of Mr. and Mrs. Jones for a few weeks. Enroute they will stop in Tonkawa, Oklahoma, where they will visit several weeks and will be joined there by Mrs. Endicott, who will make the trip to California with them. They expect to spend six weeks enroute, visiting Salt Lake City, Yellowstone Park and many other places of interest. The trip is being made in Mr. Endicott's handsome new Lincoln Sedan automobile. The trip to this city was made via Chicago, Detroit, Toledo and Columbus.

Mrs. Clarence Benton (Virginia Broyles) was tendered a delightful miscellaneous shower last evening by the members of her Sunday School class of the Second Presbyterian church at the home of their teacher, Mrs. John A. Lowry on Offshore street. The guests assembled at the Lowry home at six o'clock and were served with a delicious dinner of lovely appointments. The table was adorned with a gorgeous centerpiece of vari-colored spring flowers and places were laid for Mrs. Clarence Benton, Mrs. John F. Higgins, Mrs. William Needler, Misses Evelyn Goetz, Winifred Earley, Christabel Thirkettle, Jeanette Reinger, Margaret Barber, Mary Magarity, Stella Veach, Mary Margaret Hartshorn and the hostess, Mrs. John A. Lowry.

After the dinner the remainder of the time was spent in music and various games. An enjoyable feature of the evening was the presentation of a landscape array of miscellaneous gifts for the pretty bride, who was given a fishing pole and told to "fish" for her gifts which were concealed behind a screen.

Fires On Klansmen

BATAVIA, OHIO, May 9.—Klansmen were fired upon last night during the burning of a 72 foot cross on Jackson's Hill, the highest point overlooking the town. A number of Klansmen were around the fiery cross when some one fired a shotgun into the crowd. The gunner was pursued for a distance of four miles, but was not captured.

The cross was visible from nearly every part of Clermont county, and the residents of the section near Batavia were said to have been panic stricken. Considerable excitement still prevailed this morning.

Beautiful Terre Haute Girl Praises Tanlac For Recovery

"I have gotten such splendid results from Tanlac myself I often go out of my way to recommend it to others," recently declared Miss Frances Mae Gosnell, beautiful and popular young lady of Terre Haute, Ind., residing at 1340 N. 12th St.

"I was in a badly rundown condition, suffering from indigestion, extreme nervousness and no appetite. I was losing weight, had awful headaches, and my sleep was always restless. I just felt weak and sick all the time, and was continually growing worse."

"Soon after I started taking Tanlac I began to eat with relish and then I knew I was on the right road to recovery. Sure enough, the treatment has ended my troubles and increased by weight, and I never felt better than I do now. I'm just as grateful as can be to Tanlac."

Tanlac is for sale by all good druggists. Take no substitute. Over 2 million bottles sold.

Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere—advertisement.

Claims Nine Killed At Senator's Camp

TALLAHASSEE, Fla., May 9.—(By the Associated Press)—After a day of startling testimony during which Mrs. Thelma Franklin, wife of J. E. Franklin, postmaster and storekeeper at Glen St. Mary, told the joint legislative committee investigating alleged convict camp brutality that at least nine deaths at the convict camps leased by Senator J. K. Knabb from Baker and other counties had occurred within one year, the committee resumed its hearing today.

Autos Collide On Hilltop

A Ford touring car driven by Contractor George Lemou of Gallia street, Scottdale, was badly damaged in a collision with a big coupe at Kinney's Lane and Waller street this noon. The coupe was being driven west on Kinney's Lane and Mr. Lemou was driving east. Mr. Lemou noticed the larger car coming towards him and drove up over the street curb in an effort to escape it, he says. According to Mr. Lemou the driver of the other car admitted he was to blame and said he would pay the damages. A fender on the coupe was bent.

Chiropractors Plead Not Guilty To Charges; Hearing Set For May 24

When Drs. P. D. Parks, D. D. Owen and Omar L. Knechtly and Hazel J. Knechtly, local chiropractors, appeared in Municipal court Wednesday afternoon, they all pleaded not guilty to the charges brought against them for alleged unlawfully holding themselves out to the general public as practitioners of medicine and surgery in one of its branches without first obtaining a certificate from the State Medical Board of Ohio in the manner as prescribed by law.

The defendants were accompanied into court by their attorneys, A. H. Bannon and T. C. Beatty and the proceedings lasted for a few minutes as by agreement of both sides the cases were continued for hearing until May 24 at which time it was indicated foreign counsel, probably Attorney Thomas Morris, ex-Governor of Wisconsin, will be here to assist in the defense of the accused.

Pending the trial the four defendants were released on their own recognizance.

The cases promise to be stubbornly contested and the defendants have expressed a determination to follow the example of their profession throughout the state, who, when arrested, and prosecuted, under similar charges, have gone to jail rather than pay fines imposed against them. The complaints were filed by Miss Celia F. Dorsey, a representative of the Ohio State Medical Board while in the city yesterday. Miss Dorsey went from here to Dayton. It was stated today and was not present when the accused appeared in court for arraignment.

On Friday evening the ladies of Holy Redeemer church will give a card party in the basement of the school. All members of the congregation, their friends and all those who like to play cards are invited to attend. Bridge, five hundred and encore will be played, and attractive prizes awarded for high and low scores. An enjoyable time is promised all who attend.

At the time Mount disappeared Miss Fuchs was quoted as saying he had professed his love for her and that she thought he had committed suicide.

Woman, Guilty Of Larceny Is Fined; Jail Sentence Suspended

It required a common pleas court jury less than thirty minutes to bring in a verdict Wednesday afternoon, finding Mrs. Mand Lowe guilty of larceny for wearing apparel from Misses Ida and Lena Frick last December and fixed the value of the stolen property at \$10.

After the jury had turned its verdict into court Mrs. Lowe was fined \$25 and costs and sentenced to fifteen days in jail, but Judge Jones later suspended the jail sentence and gave the defendant five days in which to raise the funds to pay the fine, out of consideration of her eight months old infant which she carried in her arms in court.

The defendant was represented by Attorneys Blatz and Blair and Prosecutor Skelton appeared for the state.

Obituary
The Knapp Funeral
Owing to the late arrival of the Chicago train at Cincinnati, the body of Lewis Knapp, which was to have arrived on the noon train, did not get here until 2:30 o'clock, this afternoon. It was taken to the home of Mr. and Mrs. Charles Busch, 1693 Grandview avenue, where friends may view the remains.

The funeral will be held at Maury M. E. church tomorrow at 9:00 o'clock with Rev. C. W. Brady in charge. The remains will be taken to Powellville for burial.

Mrs. Henry J. Clark
A message was received here Wednesday conveying the news of the death of a former well known and highly respected resident of Portsmouth, Mrs. Henry J. Clark, who passed away at her home in Chicago after an extended illness. Mrs. Clark and family formerly resided at Fourth and Offshore streets, moving to Chicago about 14 years ago.

The deceased in addition to her husband leaves two sons, Edward and Walter of Chicago and one daughter, Mrs. Harry Denton of this city, who

After a prolonged illness due to complications, death at the home of her brother, Pearl DePriest, Lawrence Furnace, near Ironton after a several days illness of measles. She is survived by the following brothers and sisters, Pearl, Robert, Elmer and Eugene of Lawrence Furnace; Mrs. Florence Rider of Bonser's Run, and Miss Dora DePriest of Lawrence Furnace. Mrs. Sophia Rider of Bonser's Run is the child's grandmother.

Burial was Monday at Lawrence Furnace.

John A. Oakes
After a prolonged illness due to complications, death at the home of her brother, Pearl DePriest, Lawrence Furnace, near Ironton after a several days illness of measles. She is survived by the following brothers and sisters, Pearl, Robert, Elmer and Eugene of Lawrence Furnace; Mrs. Florence Rider of Bonser's Run, and Miss Dora DePriest of Lawrence Furnace. Mrs. Sophia Rider of Bonser's Run is the child's grandmother.

Burial was Monday at Lawrence Furnace.

John Albert Oakes was a life long resident of Scioto county, and was born at Haverhill, April 7, 1852. He was married to Miss Ruby Winkler on January 26, 1876, and in addition to his faithful and loving wife, the following children survive: Mrs. B. I. Wright and Mrs. D. W. Shoemaker of Peesles; A. A. and G. W. Oakes of Seventh street; Frank S., of Columbus, and Orin B. and A. W. and the Misses Ethel and Pauline at home. Mr. Oakes also leaves two brothers, Edward of Moberlie, Texas, and Charles of Ft. Lauderdale, Florida, who has been here several weeks, and one sister, Mrs. Emily McLaughlin, of Columbus.

Mr. Oakes was a life long farmer and looked after his farm at Haverhill. He was very successful because he was systematic, industrious and conscientious. Despite his quiet and unassuming disposition he made many staunch friends, who will learn of his passing with sincere regret. He was a home-loving man and always was happiest when surrounded by his faithful children. He kept abreast with the times and liked to talk about current events, always enjoying an exchange of ideas among his close friends. He was an ideal husband, dutiful father and will be missed. He was a man who treasured the friendships of those who knew him intimately, and the world is better for the kindly, charitable and forgiving John A. Oakes having lived in it. The grief of the surviving relatives is tempered by the consolation that his long and useful career was an inspiration to others.

Funeral services will be conducted from the family residence, 1720 Eighth street at 2 p. m. Friday and will be in charge of the Rev. W. C. Millikan, pastor of the Trinity M. E. church, with which the deceased had become affiliated after having given up his life time card in the Haverhill M. E. church. The assistant pastor will be the Rev. D. S. Lamb of the Haverhill M. E. church. Interment will be in the family lot in Greenhawn.

Elks Meet Tonight

CHICAGO, May 9 (By the A. P.)—The appeal of the Toledo and Indianapolis clubs of the American Association for relief from the restriction of the anti-trust rule was voted down by the remaining six clubs in the organization. President Hickey announced today.

As An Investment

The Bierley Realty company has sold the Hague property at 3875 Gallia avenue to Contractor R. L. Hopkins, who bought it as an investment.

Out Of Danger

Mrs. Harry Spray of Bond street, who was recently operated upon is doing nicely and is out of danger.

Entertainment Is Success

Junior Club No. 6 of the Pleasant Green Baptist church realized a great sum on the entertainment given last evening in the church. The proceeds will be added to the building fund of the new church. The Club is very grateful to the Portsmouth Gospel Quartet for assisting in the delightful program rendered.

John In Again

"John Doe" was the name given by a plain drunk picked up by the police last night. The booze on hand secured his release on bond which he forfeited by failing to appear for trial.

To Form District Golf Association

COLUMBUS, O., May 9.—(By the Associated Press.)—Representatives of fourteen central Ohio golf clubs will meet here Friday for the purpose of organizing a district golf association. It was announced here today that it is expected that the organization will work in harmony with the State Golf Association. Club representatives have been invited from Dayton, Springfield, Newark, Lancaster, Zanesville, London, Washington, C. H., and Chillicothe, besides those of local clubs.

American "specialist" musicians receive as much as \$200 a week for playing in the most popular London dance orchestras.

Do you know Baseball?

by Billy Evans

QUESTIONS
ONE—If in trying to dodge a badly pitched ball, said ball comes into contact with the bat and falls safe, is it regarded as a hit or is the ball dead?

TWO—When a batsman crouches as ball is pitched, how do umpires gauge the distance between shoulder and knee?

THREE—When does the batsman actually become a base runner?

FOUR—Two are out, batter triples, runner on first fails to touch second on his way to plate. How is the play scored and ruled on, the ball being held on second base and an appeal made to the umpire?

FIVE—A base runner slides into a base, reaching it in safety, only to have it detached from its fastenings. Can he be touched out with the ball if he fails to follow the base?

ANSWERS

ONE—I trying to dodge a wildly pitched ball and it hits the bat, whatever happens is legal, the ball being regarded in play as on any other batted ball.

TWO—If the crouch is the regular batting position of the player, that fact is taken into consideration. If the batsman crouches merely to fool the umpire, the judge of play rules on the pitch as if the batter was standing erect.

THREE—The moment he hits the ball regardless of whether it is caught or not.

FOUR—Failure to touch second makes a force out, at that base, retreating the side. The run does not count. Incidentally the batsman who made the triple is deprived of a hit because it is impossible to score a hit on a play where the third out is a force play.

FIVE—It is not necessary to follow the base if it breaks loose. If the runner is declared safe and the base breaks loose he cannot be touched out.

Kinks-o' the Links

by PRO

Player drives his ball into a sand trap and finds that the ball is completely covered by the sand. Has the player the right to remove the sand so as to get the correct location of the ball or must he play the ball as he finds it?

If a ball is completely covered by sand, the player has certain rights in order to determine the location of the ball before playing another stroke. He has a right to remove only so much of the sand, however, as will enable the player to see the top of the ball. No penalty is incurred if the ball be touched in removing the sand.

A roller being used on the fairway is permitted by one of the employees to remain almost on a direct line from the teeing ground to the cup. A player's first shot rolls a considerable distance after striking the ground and comes to rest under the roller, making it impossible to play the ball. What is the proper procedure in such a happening?

The player has a perfect right to remove the roller. Because of the position of the ball, he has a perfect right also to lift the ball in order that the roller be moved. There is no penalty to lifting the ball but it must be dropped as near as possible to where it lay but not nearer the hole, before being played.

One Run Hoodoo

CLEVELAND, O., May 9.—The defeat of Cleveland by the New York Yankees yesterday by a score of 3 to 2 made the seventh time this season that the Indians have lost by one run. Detroit beat Speaker's team five times by this margin and St. Louis turned the trick once.

Speaker is expected to return to the line-up today, his three days suspension having ended yesterday.

Reds Get Pitcher

CINCINNATI, O., May 9.—Herbert McQuaid, right handed pitcher, formerly with the San Francisco and Los Angeles teams of the Pacific Coast League today signed a contract to play with the Cincinnati Nationals. McQuaid recently was declared a free agent. He left tonight for Boston to join the team.

Short Game Is What Makes Champs

By MIKE BRADY

Thousands upon thousands of golfers can hit a good ball off the tee, straight and for fine distances, but what makes champions of some and keeps the rank and file from ever progressing beyond a certain point is the difference in their short game. Watch a large field of professionals or amateurs in competition and it is astonishing how evenly matched they are, as a whole, off the tee, but it is in the approaching and putting that some come in with scores in the low seventies, while others struggle along in the eighties, nineties or even higher.

Matches between good golfers are in the main won and lost on the approach or on the putting greens.

It is a lovely feeling, I'll grant you, to be able to smash the ball 250 yards or more down the course from the tee, but to be able to stick a long iron or a mashie up around the cup is what counts most, if supplemented by normally good putting.

For my own part, therefore, I would advise any golfer with ambitions to put particular stress upon his practice with irons and especially with the mashie. Learn to hit the ball firmly, with the pin and not merely the green as the objective. Put in lots of time on the little pitch shots from 5 to 50 yards off the green.

They'll help win more matches than all the 250-yard drives.

Hagen Content With His Laurels

By HENRY L. FARRELL

(United Press Staff Editor)
NEW YORK, May 9.—What he does in the coming British open championship, Walter Hagen, winner of the 1922 championship and the first home-bred American golfer to win the British classic, is not going back to England after this year.

Hagen thinks he reached the goal of all golfers when he annexed the British title, and he believes he is paying off any debt of courtesy that might be incumbent upon him by going back this year and defending his title.

Bill Tilden did the same thing when he won the British tennis championship twice and, like the king of the courts, the big monarch of golf thinks that there isn't enough glory attached to grabbing the title more than twice to recompense him for his time.

Nearly everyone expects Walter to repeat his last year's victory, because he stands out now as one of the great players of a decade and the opposition he may be compelled to face this year may not come as much from the British quarter as it might from his own teammates.

Slump in the form of most of the leading British pros was shown recently in the Rochester tournament, the opening classic of the British season, when Abe Mitchell, J. H. Taylor and George Duncan went out

Kamm Is Making Good

By BILLY EVANS

Do you think he will be able to hit big league pitching? That is the first thought, when some highly touted minor leaguer is sold to the majors.

When Jimmy O'Connell was sold to the Giants for \$75,000 and Willie Kamm caused the White Sox to part with \$100,000, the ability of these two phenoms to hit major league pitching was the big idea, the one doubtful question.

During the spring training trip I didn't get a very good chance to look either of the two highly touted youngsters over, but of the two Kamm impressed me most, no doubt, because of his marvelous fielding ability around third base.

KID NORFOLK WINS

SPRINGFIELD, O., May 9.—Kid Norfolk, of New York City, successfully defended his title of world's colored light heavyweight champion by dropping Tiger Flowers, of Atlanta, Ga., after two minutes and fifty seconds of fighting here last night.

A Close Game

In a diamond battle staged at Dogwood Ridge Sunday, the Dogwood Ridge Stars bested the Sciotoville Juniors, 3 to 2. The opposing pitchers were Hock for the victors and Haequard for the vanquished. Daring base running by the Sciotoville pitcher was a feature of the combat.

SISLER BETTER

ST. LOUIS, MO., May 9.—Phil Ball, owner of the St. Louis Americans, this afternoon expressed the opinion that George Sisler, star first sacker, would be back in the lineup some time in June, perhaps the first of the month. He added that Sisler, who is suffering from eye trouble, was "very much improved."

Four Americans Remain In English Golf Tourney

DEAL, May 9.—Four of the invading American golfers remained in the running as a result of the play today in their round of the British Amateur championship. Another American, resident in England, eliminated the present British champion.

The weather was fine for the third day of play for the British amateur golf tourney.

D. O. Willing of Portland, Oregon, defeated E. Blackwell of Prestwick, 3 and 2.

John F. Neville of San Francisco defeated W. H. Ricardo of Worpleston, 4 and 3.

Frances Onimet of Boston defeated P. Clough of Bradford 5 and 3. George V. Rotan of Houston, Texas, defeated F. L. Stone of Sidcup, 8 and 7.

Maxwell R. Marston of Philadelphia was eliminated by Cyril Tooley of the Oxford star 3 and 2.

Douglas Grant, American resident of London, a former Californian, eliminated E. W. Holderness, the British amateur title holder, after a waru struggle 2 and 1.

Fred Wright, Jr., of Los Angeles was eliminated by G. N. P. Humphreys, England, 3 and 2.

FEATURES OF YESTERDAY'S GAMES

NEW YORK, May 9.—April-like weather made play in the major leagues soggy yesterday and threatened to spoil it again today.

Fighting to lengthen their short lead in first place in the American League, the New York Yankees flourished through seven innings of rain to defeat Cleveland 3 to 2. It gave the circuit champions a one game advantage over the Indians and Detroit. The Tigers lost an opportunity to advance by congealing in the cold and losing to Washington, 8 to 2.

Nipping weather froze out the St. Louis Browns-Philadelphia Athletics game and rain fell in Chicago, and the Boston Red Sox-Chicago White Sox game was flooded out.

The world's champion New York Giants were the only team to stand the shock of the first eastern invasion in the National, beating a weakened Chicago machine, 4 to 1. Charley Grisham helped the Pittsburgh Pirates keep hot on the Giant trail by getting a home run against Brooklyn. Incidentally it was the twenty-first straight game of the season in which he has hit—all that his team has played. Pittsburgh won 8 to 6.

At the cost of a slight injury to Rogers Hornsby, St. Louis won from Philadelphia, 11 to 3, getting 19 hits. Hornsby left the game with a hit knee.

Cincinnati went after Boston's leadership of the second division by taking a thriller, 7 to 6.

THE FLAPPER

So popular has been this slipper that I'm on my fourth order this season, but that is not strange when you consider what you are getting. A genuine grey buck, trimmed with black patent colt, low rubber heel and right up to the minute in style and all for six dollars. No wonder I have sold lots of them. Better look these over.

REDS TRIM THE BOSTON BEANIES IN NINTH FRAME

BOSTON, MASS., May 9.—Cincinnati defeated Boston in the ninth inning Tuesday when Roush's pop fly dropped safely in short center field for two bases and he was able to score on Boone's single. Burns, with two doubles and two singles, was a big factor in the Red attack. How the game was played:

First Inning
Burns singled to Southworth. Daubert flied to Powell. Duncan singled to right, but died stealing. O'Neill, on Ford, no runs, one hit, no errors. Powell beat out a roller to Boone. Southworth singled over short. Powell taking third. Boeckel singled to left. Powell scoring and Southworth taking third. McInnis forced Boeckel to Daubert. Boone threw out. Southworth scoring. Felix singled to right. McInnis taking third. Ford struck out. Kopf grounded to Donohue. Two runs, four hits, no errors.

Second Inning
Roush grounded to Boeckel. Boone walked. Pinelli singled to center. O'Neill had Boone off second, but Kopf muffed the throw. Caveney was safe on Ford's fumble. Boone scoring from second. Hargrave struck out. Donohue lined to Powell. One run, one hit, two errors.

Third Inning
Burns singled to left. Daubert singled to right. Benton made a fly-catch of Duncan's pop bunt. Roush's pop fly safe in front of the plate but he was called out on the infield fly rule. O'Neill getting the point. Boone whiffed. No runs, two hits, no errors.

Fourth Inning
Southworth grounded to the left field fence. Boeckel's grounder retired Southworth. Pinelli to Boone. Pinelli, McInnis singled to right. Felix popped to Boone. Ford again fanned. No runs, two hits, no errors.

Fifth Inning
Burns doubled to left. Daubert sacrificed. Benton to McInnis. Duncan walked. Roush doubled to center. Burns scoring. Boone singled to right. Duncan and Roush scoring. Boone was retired. Southworth to McInnis for Ford to Kopf to McInnis.

Sixth Inning
Pinelli fanned. Three runs, three hits, no errors. Powell struck out. Caveney fumbled. Boeckel hit into a double play. Caveney to Daubert. No runs, two hits, no errors.

Seventh Inning
Duncan lined to Boeckel. Roush grounded to Ford. Boone's single bowled Boeckel over. Rinnell bunted safely and when McInnis made a wide toss to Oeschger at first, Boone reached third. Pinelli stole second. Caveney grounded to Kopf. No runs, two hits, one error.

Eighth Inning
O'Neill singled to center. Henry hatted for Oeschger and walked. Powell singled to center. O'Neill scoring and Henry taking third. Southworth walked and the bases were full. Boeckel forced Southworth. Boone unassisted. Henry scoring. McInnis forced Boeckel. Caveney to Boone. Powell scoring. Felix died stealing. Hargrave to Caveney. Four runs, three hits, no errors.

Ninth Inning
Duncan grounded to Kopf. Roush doubled to center. Boone singled to center. Roush scoring and Boone taking second on the throw in. Pinelli lined to Powell. Caveney flied to Felix. One run, two hits, no errors.

Tenth Inning
Southworth got an infield single. Boeckel sacrificed. Pinelli to Daubert. McInnis grounded to Caveney. Felix flied to Burns. No runs, one hit, no errors.

HIT ALEXANDER HARD
NEW YORK, May 9.—The New York Nationals hit the veteran, Grover Alexander hard here Tuesday and won the first game of their series from Chicago 4 to 1. New York made 12 hits for a total of 19 bases off Alexander. The Chicago veteran, however, pitched his fifth consecutive game of the season without giving a base on balls or hitting a batsman, a major league record. Score:

CLEVELAND, O., May 9.—New York defeated Cleveland 3 to 2 in the opening game of the series here Tuesday, rain stopping the play in the seventh inning. Coveleske outpitched Bob Shawkey, but poor support caused his defeat. Stick to Cinco—Play Safe
To achieve nowadays means winning a victory over the most keen variety of competition. And that's what Cinco has accomplished; not in isolated spots, but in every city, town and village from Maine to California. Cinco's ability to repeat in quality day after day, its mellow flavor, its fragrance, its unusual value—these factors have made it the national favorite with smokers who discriminate. One-quarter-billion sold last year. Try a pair without delay, they're really very fine.

Chillicothe Fans Happy; Blair, Dando Lose
Well, Chillicothe fight fans were happy last night. They saw Gil Eickhoff and Gene Bunday of Dayton, whip Nig Blair and Shifty Dando of this city. The Blair-Eickhoff will went the limit, ten rounds and there was no doubt as to the winner, Blair being beaten in every round after the fourth. Dando earned the first four rounds against Bundy, but finished up poorly and Bundy was declared the winner after 5 rounds of real fighting. Blair started out like a winner and had Eickhoff in trouble in the third round and local fans at the ringside declare he should have put his man away, but Blair could not turn the trick. The Dayton boy then staged a comeback and hit Nig at will in the closing rounds, but could not put the Panther away. Blair had not trained hard for the fight and local fans declared that he was in the worst shape they had ever seen him. He hopped around the ring in the closing session of the mill. Dando of course, was in tiptop shape, but his opponent had a good left hand and he kept him away from him. Dando was more than willing but could not reach his opponent. At that his adversary had very little on him. It is likely that Dando and Bundy may later on be matched for a fight here. George Alexander, of this city, weighing 108 pounds, started out to fight a lad weighing 138 last night, but Sammy Trott soon halted the match. THE ONWARD MARCH

BIG business seems to be the order of the times. Nothing so huge can be devised or constructed, but what something else bigger is demanded.
Take in the matter of the cables between this country and Europe, the means by which quick communication is carried on between the two continents, yes, the whole universe. The British parliament votes down prohibition by hundreds to 14. America knows it in a few seconds. Bandits rob a train and carry off Europeans in China, the whole world knows of it in an hour. But that isn't swift enough for these hurrying and scurrying times. We must know it all at once, so the Mackays, who are better known as the Postal Telegraph company, are at work on a new cable between New York and London. Idle to say it is to be the biggest, but it is and by far at that. It will have a capacity double that of any line crossing the ocean. Its wires will weigh 1100 pounds to the mile, as against 700 in other construction and it will carry 600 letters a minute. Its cost will be anywhere between ten and fifteen million dollars, and it will be laid and put in service by next August the first. Some speed, but big business also demands speed.

WE CAN NOT HELP IT

FOR those who are so fearful of entangling alliances the episode occurring in China, Monday, offers instruction. A gang of bandits, one thousand strong, ditched a train and after robbing it and the passengers, took the latter captive and led them into the hills. Among the passengers were many from foreign countries, including America.
Now it is said there is high spirits in military circles, because the Chinese government is impotent to handle the situation and army and navy forces will be sent to that benighted and blighted land to rescue the captives and wreak retribution, the latter principally hard cash.
The lesson is just this: The lines of all the races are crossing and criss crossing. No matter how much we may desire, no matter how desirable it may be from a theoretical standpoint, America can not keep out of foreign entanglements and entanglements mean alliances with a few nations, as in the recent fiasco with England and Japan, or alliances with and of all nations as in the League of Nations.
No matter how much President Harding may wiggle and wobble over proposed entrance of the United States into membership on the international court of justice, he is inevitably carrying his administration into a league of nations, or into an association of nations, if that suits his quibbling turn more.

NO MYSTERY ABOUT IT

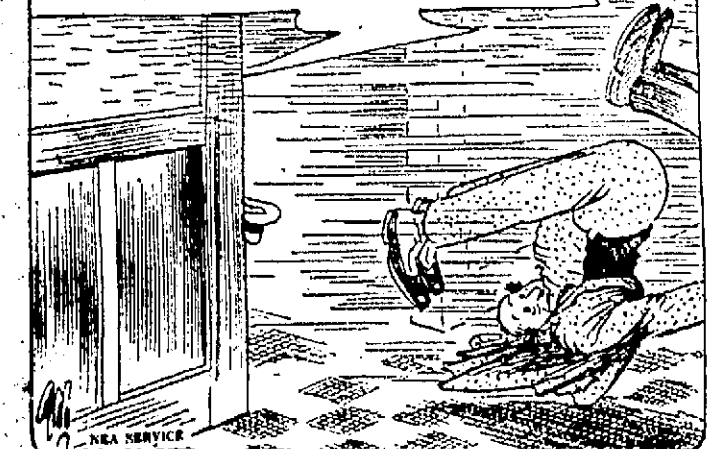

THE sensation, as well as the small consternation, of the war was "Big Bertha," the mysterious gun that fired into Paris from behind the German lines, forty miles away.
During the war the gun was regarded somewhat generally as a myth, it being argued that it was impossible to construct arms of such great range. Since the war the weapon has passed quite out of the public mind, being nothing more therein than a vague and rather dubious impression. Only the other day a deputy got up in the chamber and derided the fact that any German cannon had ever fired into Paris and that any such weapon as "Big Bertha" existed. In answer to him the actual facts have been set forth by the French war ministry. There was actually a "Big Bertha" and it projected missiles into Paris from a distance as great as forty miles. It was of little military value because every time it was fired it had to be transported back to Essen, where it was manufactured, for repairs. Its effects were psychological, rather than physical and for that reason it was thought worth while to use it at enormous cost. In so far as military bureaus were concerned the gun was no mystery. Other nations were experimenting with its like and the French really had bigger and better guns, cannon that would carry from seventy-five to one hundred and twenty-five miles, but they didn't use them because there was nothing for them to fire at.
And here comes that exacting man who demands that if women adopt the fashions of the Egyptians they include also the silence which for ages has marked the Sphinx.
Charity covers a multitude of sins, but many thank the old winter overcoat for what it has done in so benevolently obscuring the shine on trousers.
In these days of an enterprising press the way of the rich transgressor is certainly a hard one.

New York-Day-By-Day

BY G. A. McINTIRE

NEW YORK, May 9.—There is an army of men in New York who are in eternal quest of The Understanding Woman. They seek success in the literary domain of business in the relaxing moments at luncheon or dinner with perhaps some fed-brothered widow at an off-the-track-pied-a-terre.

Most of these men are quite happily married and are surprised indeed when they find themselves spoiled with the chromatics of a very gay scandal. New York is an overwhelmingly large city but rumor has a way of seeking out those who try most energetically to hide the amour impossible.

There is an ivy-clad restaurant with imposing terrace, an hour's motor ride from New York and on the north-shore of Long Island which is known as "Divorce's Half Way House." There are a number of curbed little stalls where a couple may dine in seclusion.

Here men in the upper stratum of society sometimes mingle with those in a stratum supposedly a trifle lower. There is a record of sixteen divorces this season that started with the apparently harmless luncheon or dinner party there.

And all of the men are wide-eyed with astonishment when they find all the details of their clandestine meetings, even to the conversation, are in the hands of their wives' lawyers. Private detectives have little trouble in bribing cafe keepers into installing the micrograph.

Gossip spreads more rapidly in New York than it does at the cross-roads. Husbands who slip away to summon labelists and the brave Boccaccio find that sooner or later "The grave gives up its dead."

The Understanding Woman, who have such a flow of ready wit and serve such excellent meals, are in most instances angling for a new motor car or a chinchilla wrap, but the husbands fail to sense it until the process server arrives with the papers. Then they join The Poor Fish Club.

More than 200,000 reservations have been made on Atlantic steamers sailing from New York this summer. An interesting side light is revealed in the increased man power of the dental laboratories during the sailing season. Passengers who wear false teeth always have an extra set made for an ocean voyage. So many sets are lost at the rail, you know. Whoops, my dear!

A dense fog had blown up from New York's harbor and street lights were almost indistinct a few feet away. Near the Waldorf, a visitor tried valiantly to hail a taxicab. Finally he decided to walk to his

hotel. Somehow he got into one of the large entrances of a department store and was unable to find his way out. A passing policeman found him near dawn in a state of nervous collapse. He said he had lit a single match and saw a woman in a dead faint on a bench. "Find her!" he beseeched. The "woman" proved to be a wax model in one of the windows.

Vanderbilt has made such inroads upon jazz bands that cafes are suffering from a lack of good dance music. For ten weeks the Tulace, the chief Vanderbilt house, has had a jazz band featured on its weekly program. Even the venerable Nathan Franko, former concert master at the Metropolitan, has made an excursion into the two a day. Paul Whitman, who recently took his syndicate to London, has been sent a hurry-up message to return to Broadway at once. So acute is the shortage at one supper club an accomplished accordionist furnishes the music for dancers.

Gradation
Heaven is not reached by a single bound.
But we build the ladder by which we rise.
From the lowly earth to the vaulted skies.
And we mount to its summit round by round.

I count this thing to be grandly true.
That a noble deed is a step toward God.
Lifting the soul from the common clod
To a purer air and fairer view.

We rise by the things that are under our feet.
By what we have mastered of good or gain.
By the pride deposited for the passion slain.
And the vanquished ill that we hourly meet.

—Would Remove An Eyesore

An enterprising Quaker who always gave liberally toward public improvements in his home town, was waited upon by a committee who ventured to solicit a contribution for the building of a pretentious church of another denomination.

"No," said he, "I can give thee nothing, as any display in the erection of a house of God is contrary to the principles of my sect."

As the committee were bowing themselves out of the office, he called after them. "Say, is there going to be a tear down the old church?"

"Yes," said he, in a relieved tone, "I can give thee \$500 for that."

AINT IT A GRAND AND GLORIOUS FEELING—BY BRIGGS

AFTER YOU'VE HAD A SCRAP WITH YOUR BEST GIRL AND THERE'S NO DOUBT ABOUT HER BEING AT FAULT

GOOD BY FOREVER

GR-R-R-R

AND YOU LEAVE HER HOUSE IN A HUFF AND SWEAR TO YOURSELF THAT YOU'LL NOT BE THE ONE TO GIVE IN THIS TIME

AND THE NEXT DAY YOU FEEL MORE CONVINCED THAN EVER THAT YOUR PRIDE DEMANDS THAT SHE BE THE FIRST TO EITHER WRITE OR TELEPHONE

AND THEN ON THE THIRD DAY WHEN YOU'RE GETTING REAL DESPERATE, AND ITS INTERFERING WITH YOUR WORK YOU DECIDE TO FORGET ALL YOUR PRIDE AND CALL HER UP

AND JUST AS YOU'RE PICKING UP THE PHONE YOU GET A SPECIAL DELIVERY FROM HER ASKING YOU TO FORGIVE HER AND CALL HER RIGHT UP

OH-H-H BOY! AIN'T IT A GR-R-R-RAND, AND GLOR-R-R-IOUS FEELIN'?

Room for Doubt

"Where is Henry?" asked the neighbor of Mrs. Henry. He had come over to see him.

"I'm not sure," Mrs. Henry replied. "If the ice is as thick as he thinks it is, he's skating. If it's as thin as I think it is, he's swimming."

—It Sounds Similar

A very nervous man was called on to make a speech, and performed miserably, and knew it. "I want to congratulate you for that fine speech," one of his hypocritical friends said to him. "Thank you," replied the nervous man, "but did you ever hear the story about the man who drew the wool on the backs of the babies? Well, they called that man a dumb dycer, and you are something that sounds very similar. Gimme a match."

—The Better 'Ole

"Is this the marriage license bureau?"

"No, this is the criminal court. Maybe you'd better come in here. We seldom give them more than 20 years."—Judge.

BERTON BRALEY'S DAILY POEM

THE Spring Wind whispered, "Play with me. Come on and run away with me. I know where all the merry places are: Where silver lakes are shimmering Or waterfalls are shimmering, Away from the city's clasp and jar."

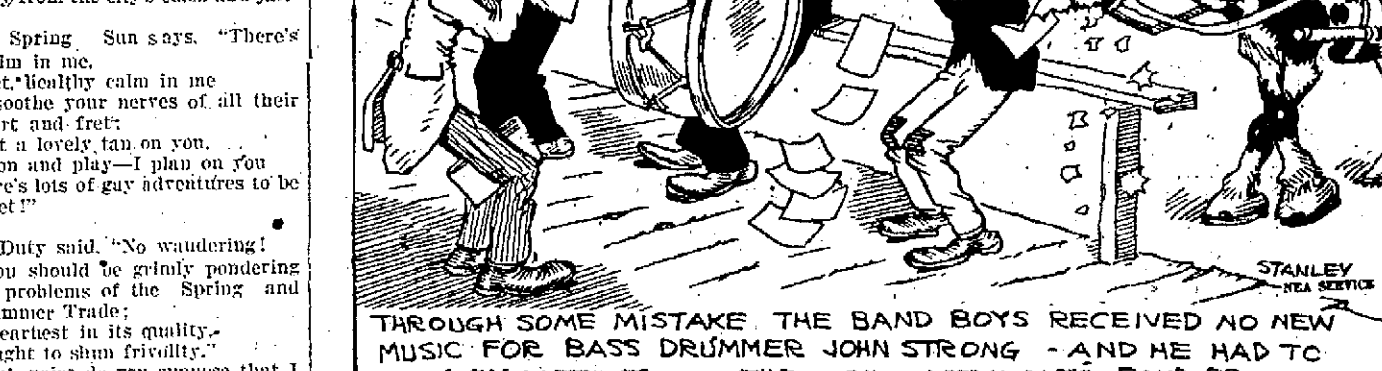

THE Spring Sun says, "There's blum in me. A quiet, healthy calm in me To soothe your nerves of all their hurt and fret: I'll put a lovely tan on you. Come on and play—I plan on you There's lots of gay adventures to be met!"

BUT Duty said, "No wandering! You should be grimly pondering The problems of the Spring and Summer Trade: Life's earnest in its quality. You ought to shun frivolity. Which voice do you suppose that I obeyed?"
